

Eurogroup for Animals, Wolf Protection Research – Germany February, 2020

Methodology: Savanta ComRes interviewed 1,008 adults in Germany aged 18+ online between 11th and 17th February 2020. Data were weighted to be nationally representative of adults aged 18+ by age, gender and region. Savanta ComRes is a member of the British Polling Council and abides by its rules. Full tables at www.comresglobal.com

All press releases or other publications must be checked with Savanta ComRes before use. Savanta ComRes requires 48-hours to check a press release unless otherwise agreed.
